

**High Break Strength • Salt Water Proof • Self-Flushing**

## High Security Key Retractor

- ▶ **360° Rotating Clamp-On Belt Clip:** Allows unit to pivot in direction of use for easy operation and extended life.
- ▶ **Locking Mechanism:** Allows keys to be locked at any extension
- ▶ **Clamp-On Model :** Clamps onto belts up to 2¼" for the ultimate in security
- ▶ **Available in 3 Force Options:** Weigh keys to determine retraction force needed

## ▶ Attachment System - 360° Rotating Clamp-On Belt Clip

- Clamps securely onto belts up to 2¼ in.
- Flexible ribs hold belt clip in position
- High-strength C-ring holding mechanism
- Ideal when device is pulled from the side to the front of the body
- Rotates for minimal resistance & line wear
- Ultimate in durability & security

## ▶ Specifications

- Nylon Line w/ Kevlar Core
- 80 lbs. Breaking Strength
- Stainless Steel Spring & Hardware
- Locking Mechanism

### RT3-5812

- 42" Extension
- 12 oz. Retraction Force

### RT3-5818

- 36" Extension
- 18 oz. Retraction Force

### RT3-5826

- 28" Extension
- 26 oz. Retraction Force
