

High Break Strength • Salt Water Proof • Self-Flushing

## MEDIUM Right Angle Flashlight Kit w/ Stabilizer

16 oz. Retraction Force / 22" Extension (For Lights 3C to 8AA)

- ▶ Stop worrying about losing your gear; concentrate on your job
- ▶ Grab Your Light, Use It, Let It Go... It Retracts Back Every Time
- ▶ Stabilizer eliminates flashlight movement
- ▶ Easily remove flashlight from stabilizer for use

### ▶ Quick Connect-II Feature & Included Accessories

Flashlight is easily disconnected from retractor

Q/C-II Split Ring

**Stabilizer**  
Keeps flashlight handle close to turnout coat — prevents movement

### ▶ Mounting System

#### Threaded Stud Mount

Threaded stud penetrates tabs, flaps, pockets or webbing straps. Threads into back of Gear Keeper

Flashlight Stabilizer

#### Warning!

Penetration of Turnout Coat (other than external tabs or pockets) may result in violation of NFPA standards or may void manufacturer's warranty.

☑ Threaded Stud Mount

☑ For Lights: 3C - 8AA

#### Hammerhead's Guarantee of Quality

If you are not satisfied with any Hammerhead Product, we will replace it or refund your money within thirty days after purchase through the original dealer. Hammerhead Industries warrants its products against manufacturing defects in workmanship or materials. The warranty is void if the product has been abused beyond normal and sensible wear and tear or used for purposes other than intended.

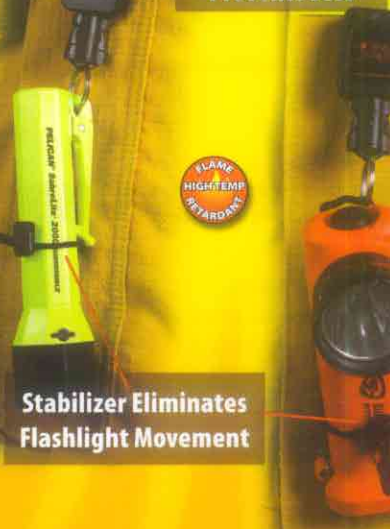

#### Cable/Line Warranty & Rebuild Policy

All Gear Keeper Retractors are manufactured with the highest quality cable/line. Occasionally inspect the cable/line for signs of wear in order to prevent loss of gear. Hammerhead Industries will replace the cable/line for a service charge of \$8.00.

Please contact Hammerhead Industries for a Return Authorization Number and mailing instructions.

If upon receipt of retractors Hammerhead determines that other components vital to the retractor are worn beyond their useful life, the \$8.00 will be returned and no repair will be done.

Allows Use While Securely Tethered  
Prevents Loss

Stabilizer Eliminates Flashlight Movement

#### WARNING:

**Do Not Release Retractor End When Fully Extended**

Retraction may be rapid and forceful, resulting in injury and/or damage to the product.
