#### Hammerhead's Guarantee of Quality

If you are not satisfied with any Hammerhead Product, we will replace it or refund your money within thirty days after purchase through the original dealer. Hammerhead Industries warrants its products against manufacturing defects in workmanship or materials. The warranty is void if the product has been abused beyond normal and sensible wear and tear or used for purposes other than intended.

#### Cable/Line Warranty & Rebuild Policy

All Gear Keeper Retractors are manufactured with the highest quality cable/line. Occasionally inspect the cable/line for signs of wear in order to prevent loss of gear. Hammerhead Industries will replace the cable/line for a service charge of \$8.00.

Please contact Hammerhead Industries for a Return Authorization Number and mailing instructions. If upon receipt of retractor Hammerhead determines that other components vital to the retractor are worn beyond their useful life, the \$8.00 will be returned and no repair will be done.
