- Carabiner Mount
- Snap Clip Mount

Grab It,
Use It,
Let It Go...

It's always right
where you can
find it quickly!

Prevents Loss
& Damage

Includes Attachment
Hardware

Hammerhead's Guarantee of Quality

If you are not satisfied with any Hammerhead Product, we will replace it or refund your money within thirty days after purchase through the original dealer. Hammerhead Industries warrants its products against manufacturing defects in workmanship or materials. The warranty is void if the product has been abused beyond normal and sensible wear and tear or used for purposes other than intended.

Cable Warranty & Rebuild Policy

All Gear Keeper™ Retractors are manufactured with the highest quality cable. Occasionally inspect the cable for signs of fatigue or excess wear in order to prevent loss of gear. Hammerhead Industries will replace the cable and any worn parts for a service charge of \$8.00 (includes shipping and handling).

WARNING:

Do Not Release Retractor
End When Fully Extended

Retraction may be rapid
and forceful, resulting in injury
and/or damage to the product.

High Break Strength • Salt Water Proof • Self-Flushing

Lanyard Attachment Instructions

The SEEK TIC's integrated lanyard loop is not durable enough for fire fighting environments.

A lanyard attachment utilizing a D-ring and integrated mounting holes provides a solid attachment point. The Adhesive Pad Eye controls the hanging orientation of the camera.

1. Attach D-ring w/ screws

2. Clean housing with alcohol swab
3. Attach Pad Eye with Adhesive Pad as pictured at right.
Note: Attach to plastic housing, avoiding rubber pad.
4. Allow adhesive to set for 12 hours
