Load Limit: 25 lb. / 11.3 kg
Retracted: 35" / 89 cm
Extended: 72" / 183 cm

Connect to Tool

Connect to Anchor Point

Specs.

- ▶ Compact recoil reduces entanglement
- ▶ Provides up to 6 foot reach
- ▶ Low force recoil offers strain-free reach
- ▶ Anchor to a structure for heavy tools

WARNING

- Modification of tool tether or components will void tool ratings
- Connecting two or more tethers or adding/extending tether length will void tool ratings.
- Inspect tool tether and tool attachment before each use for wear or damage and repair or replace if necessary
- Inspect tool tether after tool drop for signs of wear or strain and replace if necessary
- Inspect tool attachment after tool drop for signs of slippage and reinstall if necessary
- See Tool Attachment Instructions for proper installation.
- Do not exceed tool weight limits
- Not for personal fall protection
- Do not use around machinery

WARNING

- Attaching a tool that is too heavy to a person can result in injury!
- Max tool weight should be approved by a qualified safety professional.
- NOTE: Tool Lanyard rating may be higher than your approved limit.

NOTE: If unsure of how to use this product or have any questions, contact Hammerhead at: 805-658-9922 info@gearkeeper.com

Hammerhead's Guarantee of Quality

If you are not satisfied with any Hammerhead Product, we will replace it or refund your money within thirty days after purchase through the original dealer. Hammerhead Industries warrants its products against manufacturing defects in workmanship or materials. The warranty is void if the product has been abused beyond normal and sensible wear and tear or used for purposes other than intended.
