

High Break Strength • Salt Water Proof • Self-Flushing

## Low Tension Sidearm Tether

3 oz. Retract Force / 36" Extension

This model recommended when firearm is extended for long periods of time

- Ideal for patrols/long duration use
- No resistance on firearm during use
- Allows full reach
- Does not retract firearm but prevents loss
- Low profile design prevents snagging
- Breakaway design

- **Disconnectable End**  
Allows easy connection/disconnection of Firearm

- **To Connect Lanyard to Firearm**  
Feed lanyard through ring in handle and loop back through lanyard.  
Cinch down tight.

## Mounting Systems / Product Versions

**RT2-5530**  
**Velcro Strap Mount**  
Strap securely wraps and cinches around gun belts or webbing strap

**RT2-5550-E**  
**Rotating Belt Clip**  
Securely attaches to gun belts (up to 2 1/4")  
Rotates for minimal resistance & line wear

**Hammerhead's Guarantee of Quality**  
If you are not satisfied with any Hammerhead Product, we will replace it or refund your money within thirty days after purchase through the original dealer. Hammerhead Industries warrants its products against manufacturing defects in workmanship or materials. The warranty is void if the product has been abused beyond normal and sensible wear and tear or used for purposes other than intended.

**Cable Warranty & Rebuild Policy**  
All Gear Keeper® Retractors are manufactured with the highest quality cable. Occasionally inspect the cable for signs of fatigue or excess wear in order to prevent loss of gear. Hammerhead Industries will replace the cable and any worn parts for a service charge of \$8.00 (includes shipping and handling).

**WARNING:**  
**Do Not Release Retractor End When Fully Extended**  
Retraction may be rapid and forceful, resulting in injury and/or damage to the product.

**▶ Low Profile Prevents Snagging**  
**▶ No Tension on Sidearm**
