

**High Break Strength • Salt Water Proof • Self-Flushing**

## Locking SCUBA Console Retractor

24 oz. Retraction Force / 32" Extension

- ▶ Strong enough to hold any console while providing full arms extension for navigation
- ▶ Patented Flushing System: Sand or debris are flushed out of retractor during normal use. To Manually Flush: Operate unit in water rapidly 5-10 times. If unit is packed with sand or debris, submerge unit in water with line facing upward. Allow it to fill with water and then invert unit and operate rapidly 5-10 times. Repeat until unit operates smoothly.

### ▶ Console Attachment Options

▶ Attach to  
Q/C-II Split Ring Accessory

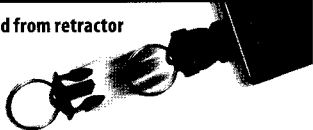

▶ Attach to  
Q/C-II Lanyard Accessory

### ▶ Quick Connect-II (Q/C-II) Feature

Gear is easily disconnected from retractor

Available Q/C-II Accessories:  
ACO-0911 Q/C-II Split Ring  
ACO-0912 Q/C-II Lanyard

### ▶ Optional Mounting System

1-0016-03 Bracket Mount

Sandwich webbing between retractor & bracket (horizontally or vertically).  
Screw bracket to retractor

With bracket attached to retractor, slide weight belt through bracket
