

High Break Strength • Salt Water Proof • Self-Flushing

Locking SCUBA Console Retractor

24 oz. Retraction Force / 32" Extension

- ▶ **Strong enough to hold any console while providing full arms extension for navigation**
- ▶ **Patented Flushing System:** Sand or debris are flushed out of retractor during normal use. **To Manually Flush:** Operate unit in water rapidly 5-10 times. If unit is packed with sand or debris, submerge unit in water with line facing upward. Allow it to fill with water and then invert unit and operate rapidly 5-10 times. Repeat until unit operates smoothly.

▶ Console Attachment Options

▶ **Attach to Q/C-II Split Ring Accessory**

▶ **Attach to Q/C-II Lanyard Accessory**

▶ Quick Connect-II (Q/C-II) Feature

Gear is easily disconnected from retractor

Available Q/C-II Accessories:
ACO-0911 Q/C-II Split Ring
ACO-0912 Q/C-II Lanyard

▶ Optional Mounting System

1-0016-03 Bracket Mount

Sandwich webbing between retractor & bracket (horizontally or vertically).
Screw bracket to retractor

With bracket attached to retractor, slide weight belt through bracket

Let It Go!**

**No More Searching
for Your Console**
*It's Always Right
Where You Need it*

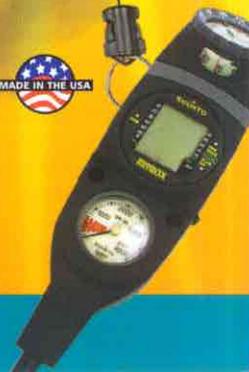

**Hammerhead's
Guarantee of Quality**

If you are not satisfied with any Hammerhead Product, we will replace it or refund your money within thirty days after purchase through the original dealer. Hammerhead Industries warrants its products against manufacturing defects in workmanship or materials. The warranty is void if the product has been abused beyond normal and sensible wear and tear or used for purposes other than intended.

**Cable Warranty
& Rebuild Policy**

All Gear Keeper® Retractors are manufactured with the highest quality cable. Occasionally inspect the cable for signs of fatigue or excess wear in order to prevent loss of gear. Hammerhead Industries will replace the cable and any worn parts for a service charge of \$8.00 (includes shipping and handling).

WARNING:
**Do Not Release Retractor
End When Fully Extended**
Retraction may be rapid
and forceful, resulting in injury
and/or damage to the product.
